Welcome to 2026 and another great year of boating the Connecticut Shoreline. This year, we are celebrating our 28th year at Harborside Marina. We could not have done it without our loyal customers and employees.

SUMMER CONTRACTS:

Please take the time to complete the attached contract and return it with your deposit to secure your spot for the coming year. As always, we have limited slip space and many times a waiting list. Our tenured clients get first preference, but we will need to hear from you by **February 15th** or we will assume you are giving up your spot. In the past, I have let this deadline slide which I am no longer able to do. In an effort to make it fair for all our customers, we need to hold to our deadlines. If you have any questions or concerns, please give us a call. Thank you in advance for your prompt attention to this matter.
