

2023 Quick Launch Rules

1. **Call or Text 860-669-1705** –Include message with your Last Name, Boat Type & Boat Name and time you would like to be launched.
2. Hours of Operation are Monday – Sunday 9 AM to 4 PM **May 1 through September 30** (pre-season and after season service available weekdays only on limited basis). Any afterhours launches will be charged \$4.50 per foot if operator is still on premises and available.
3. Minimum of one hour notice during business hours to launch or haul boats. After hours calls will be processed when we open in the morning.
4. One launch / haul per day—additional launches / hauls subject to a charge of \$ 4.50 per foot per haul / launch
5. Be ready to take your boat off the dock within one hour of your requested time-failure to do so may result in hauling your boat and additional charges.
6. If you would like your boat launched before 9 AM you need to call by 3 PM the day before
7. If you return after hours, tie up your boat at our designated docks & we will haul the next day
8. Please remember you do not rent a water slip. If you would like to stay overnight, it is a privilege and must be approved by the forklift operator. The operator will instruct you where to dock your boat if space is available. First come first served basis
9. We do not run your boat when hauling or launching and we provide bumpers and lines on the dock for quick tie ups only. We ask you to use your own lines and fenders to secure your boat for extended times. Harborside Marina is not liable for damage caused to boats from our docks or lines.
10. When returning to our docks, please make sure to tie your boat up with the stern facing the launching platform (if possible), raise your out drive or outboard and cover your boat. Be courteous when tying up and take a spot that is protected but allows others room.
11. **DO NOT** tie up in a rented slip, even if there is no available space. You can raft up next to a quick launch spot if necessary. If you do tie up in a customer slip and we need to move your boat, you will be charged 1 hour labor.
12. There is NO parking in the forklift area at all. This is for safety reasons. Failure to obey this rule will result in a \$250.00 fee that will be charged to your account and will need to be paid prior to your next use.
13. If you have any questions, concerns or need any help leaving or coming in, please ask the forklift operator and he will be glad to assist. If you need any services, the forklift operator can accept work orders that will be processed by our service department.
14. Bathrooms and showers are available—**CODE 2020**—Please respect the bathrooms and keep them clean so everyone can enjoy
15. Please deposit your garbage in one of our receptacles or our dumpster.

Thank you in advance for your cooperation. We are looking forward to another great season!

Your crew at Harborside
